DISCIPLESHIP

¹²...to prepare God's people for works of service, so that the body of Christ may be built up ¹³until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ.

(Ephesians 4:12-13)

The Blink Test for your Church

Is your church more interested in quality programs or quality people?

Is your church as passionate about sending people out as they are about bringing people in?

Is your church content with addition, or does it long to see exponential reproduction?

Is your church holding on to control, or are they leading with a harmonious blend of order and chaos?
