

## Prayer Points – Raising Up Gospel Workers

---

Created March 2022

1. With gratitude to God for the increasing uptake of students at the RTC, that God will continue to use this theological college to assist in raising up the next generation of gospel workers, including those pursuing ordained pastoral ministry.
2. That Timothy Gray will benefit greatly from his vicariate at Willetton Christian Church (WA), helping him grow in ministry experience and passion.
3. That God will move churches to actively pray for specific people, specific needs in the harvest field, and that God will lay this burden on many hearts.
4. That churches will cast a vision of God's global plan to make disciples of all nations and why it matters so much.
5. That churches will create a culture of training in the church, where people are trained for every task they are called to do.
6. That churches will mentor those with promise for future gospel ministry, where pastors and other mature disciples intentionally invest in one or two people each year.
7. That pastors will thrive in ministry, modelling love, commitment, joy, passion, evangelism, and enthusiasm.
8. That churches will empower those being raised up as gospel workers to actually do the work for which they have been prayed for, taught, trained, mentored, and seen modelled in others.
9. That the name of church actively looking for a pastor will be served well during their pastoral vacancy, and that God will guide them in their pastor search.

These 12 churches are:

- Toowoomba (QLD)
- Wishart (QLD)
- Wollongong (NSW)
- MacArthur (NSW)
- New Life (NSW) Looking for associate pastor
- Narre Warren (VIC)
